- Prints 3.5, 6, 9 & 12mm labels

LABELS THAT STICK. | *P-touch*

PT-E100VP

The P–touch E100VP is a lightweight, handheld industrial labelling machine developed with easy-to-use functions for creating common label types quickly and easily. Complete with a practical carry case to hold the included AC adapter. There is also space for additional tape cassettes including strong-adhesive and flexible-ID tapes, which have been specially developed for use by electricians and other professionals.

Fast 20mm/second print speed
Gets the job done quickly by printing each label in just a few seconds.

Cable wrap
Identify cables quickly with easy-to-read labels.

Cable flag
Select your cable diameter to print the correct length of label.

168 built-in symbols
Includes common electrical, datacom, AV, security and safety symbols.
